CERTIFICATE OF ANALYSIS

PRODUCT: Rabbit Gamma Globulin

CODE: SL0100

LOT: PA001

FORM: Frozen

CONCENTRATION: 35 mg/ml ($E_{280}^{1\%} = 14$)

PURIFICATION: Protein A purification of Immunoglobulin from Rabbit Serum

BUFFER: 10 mM sodium phosphate, 0.85% (w/v) sodium chloride, pH 7.2

PRESERVATIVE: 0.05% NaN₃.

STORAGE: Short term: Store between +2°C and +8°C
Long term: Store aliquots at -20°C or colder
Repeated freezing and thawing is not recommended

PURITY: 95% by SDS PAGE

NOTE: Not for use in humans or clinical diagnosis. This product is intended for research or manufacturing use only
